*The days of file cabinets are going away. Everyday people are getting less dependent on the old cumbersome and bulky file cabinet. Scanned documents give you a permanent safe record for even the most sensitive documents.*

SACRAMENTO, Calif. -- Each year fewer and fewer file cabinets are being sold and used. People are scanning their documents and electronically filing that document for future use. Which scanning device is right for you? Which ones are the fastest? Which scanners are the most functional? Do you own your own business? Are you trying to figure out how to setup your scan to folder, and even subfolders? With the right device we can help you do this easily. You won't believe you ever managed without it!

For over 25 years, Carbon Copy has been helping people get the most out of their multifunction office equipment. For a free evaluation call Carbon Copy, Inc., 1-800-626-3166.
