Color Printing Getting You Down? Your Copier & Printer Specialists in El Dorado, Sacramento, Amador

Source: Carbon Copy, Inc.
Dated: Oct. 08, 2014

Adding color to your documents can really create a fantastic impact. On a marketing document, the use of color may add as much as 20% better response. But, do you really need COLOR? Color printing does not have to be expensive, Call 800-626-3166

SACRAMENTO, Calif. -- *Copier & Printer Repair Serving You in Nine Counties from El Dorado to San Joaquin, Placer, Amador, Tuolumne, Yolo, and Calaveras.*
It's all a plot. Color devices come preset to automatically print in color. Everything printed will be color. Do you really need color on that printed email? Do you really need that page off of the Internet printed in color? Everywhere you look is color.....color, color, color. That color printing is costing billions a year needlessly. We at Carbon Copy reset the defaults on all of our color devices to mono. Then, when you need color it is a conscious decision.

For over 25 years, Carbon Copy has been helping people get the most out of their Multifunction Devices and save money. For a free evaluation, call Carbon Copy, Inc. at 800-626-3166. www.carboncopyinc.com or www.copiersearch.net.

Carbon Copy, Inc. is proud to support Snowline Hospice. Established in 1981, Snowline is committed to serving the community by supporting terminally ill patients near end-of-life, and guiding their loved ones through grief. To help, visit one of their seven thrift stores. Donations are accepted and at the same time look through the treasures they have. Every dollar supports the program and helps the community. Important note, the first Saturday of each month everything in the thrift store is discounted 50%. So, first Saturday, come on down, save 50% and be an angel. www.snowlinehospice.org 530-344-4433
